

Said
In Cypress

That occupants of the cars involved in accidents this week within our town's borders are lucky. Serious injuries and extensive damage could have occurred so easily. The spin into the school yard should warn us all of the danger to children who play along the curbs and parkings on Lincoln avenue. We have resolved to watch that our niece and nephew do not indulge in their favorite pastime when visiting here — that of sitting on the parking to watch the cars go by.

That we visited the county fair in Pomona and were duly impressed. We missed the prize winning hogs such as those displayed every year at the Iowa state fair. We satisfied ourselves, however, with marvelling at the unusual chickens we didn't know existed before. The goats were interesting, too. One reminded us of our little dog Heidi. His keeper rescued him from a pen of stored hay, and then extracted his inquisitive nose and head from the restraining bars of another inclosure. In fact, friend goat wanted to be everywhere but the place he was meant to be.

That we want to hear more about the lovely white apron some of Leona's "coffeeklutch" friends thoughtfully presented to her. Seems they bought the beautifully crocheted round "apron" at a sale. But there were no strings. How come?

That we are "special week" conscious, with Fire Prevention Week, Employ the Physically Handicapped Week, and Newspaper Week. All of them upholding ideals worth a second thought.

That we sometimes think everything happens to us. We "dreamed" by the Moody Corner on our busy day Wednesday, and drove down Ball road without an opportunity to turn off, directly behind the machine spreading tar on the road. If any of you drive an automobile which is blond in nature and has white side-wall tires, you'll know what we mean.

Demand For White Gold Buttons High

Mrs. James Broadbelt, replacing her husband as chairman of the advertising committee for White Gold Day in the button selling department, reports that the sale of buttons is equaling that of last year.

Five hundred more buttons have been ordered, and when they are sold, the record of 1500 sold last year will be equalled.

During the last week, however, Cypress citizens are urged to aid the White Gold Day fund by purchasing as many buttons as possible. If you already have yours, the advertising committee says, then get one for a friend — but buy all you can use.

Cypress Bowlers First In League

Sweeping four wins Tuesday night against the White Elephant cafe from Buena Park, the Cypress Merchants No. 2 moved into first place in the Tuesday Handicap League.

Captain Salty Falls paced his team with a high game of 205. Al (Whitey) Wilson also aided greatly with a high series of 509.

Hathcock Hits 210
Dick Hathcock rolled an impressive 520 series with a high game of 210 for the Cypress Merchants No. 1, but the handicap of Bee's Duck Inn proved to be too much of a margin and the match was lost 3 to 1.

Triangle's Trouble
Although the Triangle drive-in's women's team outdid their opponent, the Buena Park Pharmacy, in actual pins, once again the handicap proved too much of an obstacle to overcome. The drug store group won three straight games. Dorothy O'Neal rolled her usual outstanding series, with a 498 total, and a high game of 177.

May Find Oil In Buena Park

The Buena Park area is scheduled for another exploratory venture in the ceaseless search for new sources of petroleum. This fact was revealed by Mr. R. A. Keans of the leasing firm of Keans, Springmann and Stipek Incorporated, who are presently engaged in acquiring leases in the area in behalf of one of the major oil companies. The lease being offered is the usual form with special "Pooling" provisions to overcome the small-lot problem and provisions enabling plant-drilling into areas where improvements or restrictions prohibit the use of the surface for drill sites. Present plans call for the drilling of the first test well as soon as leasing progress permits.

At present the Texas Company has a small producer on Cannon property near Whitaker street and the Barnesdall company is drilling a test hole on Emery property a mile north of town.

CYPRESS ENTERPRISE

"A Friendly Zone To Build Your Home"

VOL. XXII—No. 50

Cypress, California, Friday, September 30, 1949

Price 5c Per Copy

They Believe In Advertising

Girls vying for title of queen on White Gold Day October 8 are friendly competitors as they post reminder of the big celebration. The lucky winner who will ride at the head of the parade will not be known until the conclusion of the ticket selling campaign which ends Wednesday at 6 p.m. Left to right in the above picture are Eleanor Cortese, Verda Van Buskirk, Peggy Mills, Laverne Stanley and Dorise Bouse. Another contestant, not in the picture is Alta Coffman.—(P-T Photo)

ASKS THAT CYPRESS CITIZENS DECIDE ON MWD ANNEXATION

Some people drink it. Some use it to bathe in. Some wash clothes in it. Others water lawns with it.

Everybody uses water. If townspeople were told that there would be no water tomorrow, what would the reaction be?

It may be later than residents in this area think. According to an explanation given at the Chamber of commerce meeting on Monday night by M. B. Wellington, Santa Ana attorney, the possible lack of water in the not-to-distant future is a serious problem.

Explains MWD

Wellington used charts and maps to show how Orange county could become a part of the Metropolitan water district and receive Colorado river water. Annexation into the district at a later date would involve a much higher cost, he pointed out.

Talk Water October 10

It will be necessary to seek an opinion poll of Cypress residents as to whether or not they want to become a part of the MWD. The consensus among members present at Monday night's session was that as many sources of information as possible should be made available so that the views of the general public could be ascertained.

The next general business meeting on October 10 will be given over entirely to the subject of water.

It is expected that representatives from the water companies which serve this area will be present to explain their situation with regard to the supply now and for future needs. Approximately two-thirds of the water supply is furnished in Cypress by the Southern California water company.

Request Opinions

Every effort will be made to acquaint the public with facts and figures. This newspaper is desirous of receiving opinions from its readers and invite comment.

It is contemplated establishing a headquarters at the White Gold Day celebration on Saturday, October 8, with an informed attendant present to answer questions. President Dick Hathcock is hopeful that an opinion poll can be made at that time to determine the trend with regard to becoming a part of the district to receive Colorado river water.

An early type of American matches cost four cents each.

List Bowling Schedules For League Games Next Week At BP Bowl

According to the schedule released by the Buena Park Bowl, the following Cypress teams roll on the alleys designated next week, October 3 through 7.

Tuesday Night

Tuesday Handicap League
U-Tel-Em Market vs Lalicker's Dry Goods, alleys 1 & 2; Cypress Merchants No. 2 vs Bee's Duck Inn, alleys 3 & 4; Lion's Club vs White Elephant, alleys 5 & 6; Anaheim Truck & Transfer vs.

New Motor Law Applies Here

Saturday, more than 175 changes in the California vehicle code will become effective.

Important to Cypress residents is the change in the law which will require all vehicles approaching school buses from either direction to make a complete stop when children are being received or discharged and then proceed by the buses at a rate of speed not to exceed 10 miles per hour.

Acquisition of a second school bus by the local board of directors this summer means that motorists now have twice the need to be familiar with this law.

Los Alamitan George D. Watte Weds in L. Beach

Saint Matthew's Catholic church in Long Beach was the setting Saturday for the nuptial mass which united Miss Phyllis Marie Beerling and George Dennis Watte in marriage. Rev. James P. Lynch officiated.

Mrs. Watte, daughter of Mr. and Mrs. William J. Beerling, was graduated from Saint Anthony's Girls' high school and Immaculate Heart college in Long Beach. Her husband, the son of Mr. and Mrs. Oscar Watte of Los Alamitos, was graduated from Wilson high school and during World War II, he served with the navy.

After a honeymoon trip in northern California and Nevada, the couple will be at home to their many friends at 1709 Gladys ave., in Long Beach.

PERSONALS

Mr. and Mrs. John W. Jurgens of Hoffman street, have completed their new home which they began building last March. The Jurgens were residents of Ogallala, Nebraska, before moving west.

Stan Doerr has not been feeling up to par for the past few months and has been under the care of a physician. Mr. and Mrs. Doerr formerly operated the Sundries store, now Henry's drugstore.

Bob's Market, alleys 7 & 8; Kiwanis vs Cypress Merchants No. 1, alleys 9 & 10.

Women's Handicap League
Hunt Foods vs Buena Park Bowl, alleys 1 & 2; Triangle Drive-in vs Bee's Duck Inn, alleys 3 & 4; Walt's Meats vs Buena Park Pharmacy, alleys 5 & 6; Buena Park Motor Parts vs White Elephant, alleys 7 & 8; Wilkinson Drug vs Buena Park Cleaners, alleys 9 & 10.

"Close Shave" For Young Shaver In Freak Crash

Driving his father's car last Saturday morning, the son of the Glenn Shavers, 8615 Hansen road, was involved in a freak mishap which caused him to roll over in the car and escape with no injuries.

A trailer towed by a motorist driving east came unhooked from the car. It shot across the road at the identical moment Shaver reached the spot driving west, smashed into the rear wheel with just enough force to overturn the '36 Ford sedan.

The accident occurred on Lincoln avenue, between the P. E. tracks and Miller road. The tow car from the Cypress garage towed the wrecked machine to the Shavers' home.

LOS ALAMITOS BOY ATTENDS SCHOOL IN WHITTIER

Clifford John Sjostrom, son of Mr. and Mrs. C. J. Sjostrom, 3771 Green st., is among the 450 new students to register at Whittier college this week.

Sjostrom, who was graduated from Anaheim union high school, will enter the college this fall as a junior.

SURPRISE PARTY HONORS MRS. NAPIER

Mrs. John Lukens was instrumental in luring her neighbor, Mrs. J. C. Napier, to her house on a false pretext so that her friends might honor her with a shower of gifts.

Called to help administer aid for a pretended cut finger, Mrs. Napier was greeted with shouts of "surprise" from friends and neighbors.

Mr. and Mrs. Napier recently adopted a baby girl, Phyllis Elaine, and all of the presents were useful to her.

In the several games played during the evening, prizes and figurines were awarded to Mmes. Edward Riddle, Ed Stanley, Du-bert Laird and K. C. Beason. Spicy gingerbread with whipped cream, nuts and hot beverages were served by Mrs. Lukens, and her co-hostess, Mrs. Norville Chapman.

Participating in the surprise were Mmes. Ruth Lockman, Glen Miser, J. W. Fleetwood, Donald DeWitt, Ralph Ellsworth, H. L. Minnick, H. McKinzie, Alex Petrie, Bennie Pugh, Lawrence Gaylord, George Gamble, George Lennerville, and the Misses Jayne Chapman and Susanne Lukens.

CYPRESS SWEET CITY

Smelled that sweet smell in town this week? That's a sure reminder that it's fall and October first is close at hand.

The landmark for which Cypress is famous, the sorghum mill, is a center of activity now as this year's crop of cane is put up under the able direction of E. L. McWilliams.

The sorghum industry is a tradition here, having been carried on by the same family in this area since they moved here from Texas in 1889.

For the first time in about five years, the sorghum is available to the public in cans, as well as jars. It is said that the crop is unusually fine this year.

A. H. HARRIS WHITE GOLD AUCTIONEER

Going once! Going twice! It's gone!

The familiar chant will once again climax the program of events as White Gold Day draws to a close on Saturday, October 8.

A. H. Harris and his enthusiastic associates, from the Cypress auction yard, will again spark-plug this popular feature of the celebration. A steer will be given away, as in past years, and donations will be auctioned off, proceeds going into the park fund.

Donations will be appreciated by the committee. Turkeys, geese, ducks, rabbits, chickens, feed — anything that will sell, are needed for Saturday night's big event.

General chairman Jake Van Dyke has issued a warning to expect solicitors in the near future for contributions.

Cub Scouts Get 26 Enrolled At First Meeting

Under the leadership of M. R. Bouse, 8371 so. Gay st., the Cypress VFW-sponsored Cub Scouts, pack no. 176, met last week for the first time this year with 26 boys signing up for membership. The group closed its activities for the current year early this summer with a total of 44 members, 21 of them old enough to enter the senior scouts.

Aiding Bouse in the direction of the Cubs are Den Mothers Mrs. R. M. McKee, Mrs. M. R. Bouse, Mrs. Helen Wilson, Mrs. Howard Decker and Mrs. Victor Konig. Committeemen helping out are A. T. Wilson, K. B. Giles, James Bolinger, Lee H. Smith and Victor Konig.

Although hope of continuing the regular senior scouting activities in Cypress have not been abandoned, the 21 boys now eligible for senior scouts are so enthusiastic, Bouse will try to arrange transportation for them to Buena Park meetings if there are no facilities available in Cypress.

Anaheim Wells Benefited By River Water

The special sale of Colorado River water by the Metropolitan Water District to the Orange County Water District is already having its effect on the water levels in the wells of Anaheim, according to a press dispatch which appeared this month in the Anaheim Gazette.

Quoting Vard Hannum, who is superintendent of the water, light and power department for that city, the news item stated that on August 1, the date of the initial release of Colorado River water into the Santa Ana River bed, water levels were 154 feet seven inches from the surface. On August 1 it had gone down to 154 feet nine inches but on the 15th it had risen to 154 feet six inches and a few days later had gone up another inch.

Anaheim is approximately 150 feet above sea level, so even with the beneficial increase noted, the wells are still being pumped below sea level, the paper reported.

WELCOME! NEW READERS

Mrs. D. D. Rogers, 5542 Danny avenue.
H. O. Rind, 5571 Newman St.

VFW Has Plans For Two Stands For White Gold

As their share of the White Gold Day celebration, the Cypress VFW Post No. 9847 and the auxiliary are preparing to sponsor two stands.

The auxiliary will handle hamburgers for the visiting crowds while the male counterpart will run a stand featuring a game. Following the theme of White Gold Day, the auxiliary has called for aid from the Post on construction of a float featuring "Around the World with White Gold."

Last year, the VFW float won first prize in its division. As their entry this year, the VFW has invited the colorful Santa Ana drum and bugle corps to march in the parade.

Certain lizards of Malaya make gliding flights.

T. J. Boyds Sell Drive-In Nursery

A sale of his property this week culminated a successful business career in Cypress for T. J. Boyd, on Lincoln avenue east of town.

Forced to sell because of ill health, Mr. and Mrs. Boyd have relinquished their drive-in nursery and residence to Larry Kirk.

The Boyds plan to spend the winter on the Colorado river near Blythe in their house trailer. It is hoped that Boyd can regain his strength and health by resting and relaxing. He will also have the opportunity to engage in his favorite outdoor sport — fishing.

C. O. Lindberg, who made his home here with his step-son, has moved to Long Beach to the home of his daughter, Mrs. Jim Hutchinson.

Kirk New Manager

Larry Kirk, who will take over from the Boyds, has an interesting background leading to his career as a nurseryman. He went to school at the University of Minnesota, and was graduated a chemical engineer. For 15 years he was engaged in the profession of water treatment and purification.

His interest in floriculture was merely a hobby, which led him to construct the only privately owned greenhouse in Fargo, N. Dakota. In 1942, he moved near Columbus, Ohio, where he took over the operation of a large greenhouse and florist business.

Mr. and Mrs. Kirk and their two daughters, Patricia and Laurel, will move here next week from Long Beach. The girls are enrolled at Centralia elementary school.

School Has Visitor When Car Goes Wild

Serious injury and possible tragedy were narrowly averted Tuesday evening as the driver of a car traveling at an excessive speed careened wildly on Lincoln avenue and was finally stopped by the flagpole on the school grounds.

About to make a left-hand turn on to Grindlay, Dick Hoxie reported to police that the car behind him nicked his rear fender as it went out of control. Before the crash into the flagpole, which halted the machine, the driver tore the honor roll sign from its moorings in front of the auditorium. Dick was accompanied by his younger brother, Jim, who both reside at 8611 Acacia street.

Driver of the new Buick convertible was Anthony F. Fortuna, of 5418 Marburn avenue, in Los Angeles, who, with his wife and son, were returning from dinner at Knott's berry place. They were enroute to the home of friends in Artesia, where Mrs. Fortuna was to be guest at a birthday party being held in her honor.

Investigating state patrolmen were unable to determine the position of the cars at the time of the impact because of lack of skid marks on the paving or other evidences. They did point out, however, that speeding in a 25-mile zone, and passing at an intersection were both infringements of the law.

Fortuna's identification indicated that he is a reserve member of the sheriff's department.

V.F.W., AUXILIARY WILL HAVE POT LUCK LUNCH

Initiating a new policy to make meetings more of a social gathering, the Cypress CFW Post No. 9847 and its auxiliary will begin the practice of having a pot luck dinner at every other meeting.

The first potluck will be held next Thursday evening at the VFW club room at the corner of Miller road and Lincoln avenue. The affair will start at 6:30 p.m. All members are invited to attend. Members wives are invited, even though they are not members of the auxiliary.

VISIT'S HOLLYWOOD — WINS RADIO PRIZES

Mrs. William Sakkers, from Holland, Michigan, has been a guest of Mr. and Mrs. Alvin Charter, at the Windfall trailer park here.

Mrs. Joe Cummings, one of a group who sought to help entertain Mrs. Sakkers during her visit, was selected as a contestant on the "Ladies First" radio show when the group visited Hollywood. For appearing on the program, Mrs. Cummings was awarded an orchid, a new type of hair drier, and received a luscious, romantic kiss from emcee Bob Moon.

Other spots visited were Earl Carroll's and the "Queen for a Day" program.
Mrs. Charters left for her home last Sunday.

COUNTY BOARD SETS ELECTION OCTOBER 18 ON PARK DISTRICT

Help Wanted!

A fortune teller. On White Gold Day.

There is too much gypsy in the Gypsy fortune tellers who volunteer each year for the fortune telling booth sponsored by the Women's Community club in Cypress. Mrs. Frank Noe, president, says they always move away before another year rolls 'round.

So, the club is once again seeking a seer. Call Mrs. Noe at Anaheim 60550 and volunteer to tell all.

KIDDIES HELP THEIR CAUSE—GIVE TO THEM

Cypress Girl Scouts are sponsoring the Fish Pond booth for the White Gold Day festival, which is to be held Saturday, October 8. They are asking for donations of suitable prizes and gifts to be sent to the school.

Notices of the pet parade were made and distributed by Karen Seibert and Richard Hathcock, student chairmen. They were very carefully thought out and then stenciled to attract attention of boys and girls. Any children may enter their pets and take part in the pet parade on the morning of White Gold Day.

Kids and their pets will meet at the fire station so they will be all ready to begin the big parade when it starts at ten o'clock.

Additional information may be received by contacting Dick Hathcock, chairman of the pet parade, or either of the junior chairmen.

Voters will be given an opportunity to ballot on the proposed formation of a park district. Following a hearing by the board of supervisors on September 13, satisfactory boundaries were set and the decision approved to call an election.

The polls will open at the Cypress elementary school at seven a.m. and will close at 7 p.m. October 18. Inspector is Mrs. Marie M. Jones; judge, Mrs. Ruby M. Cawthon and clerk, Mrs. Katherine E. Arnold.

The question to be answered is, in effect, whether or not the resolution of the board to establish Cypress park, recreation and parkway district of Orange county shall be ratified.

Cypress On Television?

Watch your television sets tonight.

Plans are underway to get a Cypress White Gold Day plug on the interview program, "Meet Me in Hollywood."

Maybe they will — and maybe they won't, but it's worth a try.

EMPLOY PHYSICALLY HANDICAPPED WEEK

A campaign to help the physically handicapped find jobs will be carried on from October 2-8.

Physically disabled persons not now working will be asked to register with the local office of Employment, according to Herman Ziemei, Fullerton office manager.

Three's A Crowd?

Pictured above are the triplet sons of Mr. and Mrs. George Weigert, 5691 Saint Ann Avenue. The boys, Lyle (top), Larry (left), and Lynn (right), were a year old a week ago today. Each little boy bears he middle name of his father, Brint. The stroller is especially built to meet their triple transportation needs.

WHAT ABOUT YOUR WILL?

One of the most foolish things men do is to work all their lives to accumulate money and property for the benefit of their families and then never bother to make a will to protect it.

The court records are full of sad cases where the deceased apparently believed that his estate would be distributed just as he wished even though he never got around to stating his wishes in writing. There are many instances, too, where wills prepared without the advice of an attorney have been thrown out of court.

This matter of making a will is one that should be faced squarely. In the first place, if a person has anything of value—a house or a car, money in the bank, and so on, he has an estate. And he should specify in writing what he wants done with that property in case of his death. He should also have this statement drawn up in legal language so that it will be effective. Then he would do well to appoint a bank as the executor of his will so as not to impose a burden on some friend or relative who has neither the time nor the training to do the job.

A further step for people who have recently moved to California and who have already prepared their wills is to check with California laws. A will which would be valid under the laws of one state would not necessarily be valid in another. Your banker has useful booklets which covers this and other points on the subject.

A will is not something that should be put off until tomorrow.

RELIGION IS TAUGHT IN MANY WAYS

Not long ago an English schoolmaster—a veteran in that high service, was asked:

Where in your timetable do you teach religion?" He replied:

We teach it in arithmetic by accuracy; we teach it in language by learning to say what we mean. We teach it in history by humanity. We teach it in geography by breadth of mind. We teach it on the playground by fair play. We teach it in kindness to animals, by courtesy to servants, by good manners to one another and by truthfulness in all things. We teach it by showing the children that we their elders, are their friends and not their enemies." — J. P. Jacks in The Indiana Freeman.

PRINCESSES RULE AT COUNTY FAIR

ROYAL REPRESENTATIVES. Each year Los Angeles County Fair at Pomona is ruled by an agricultural queen and court made up of princesses representing major Southern crops. Upper right is Lila Kiser, princess of hay; upper left, Pat Glynn, princess of citrus; lower left, Mary Kizzier and lower right, Jane Moore. The fair dates are Sept. 16 through Oct. 2.

I RISE TO REMARK

by John Phillips

My stay at Montecatini was interrupted last week by a 'phone call from Rome. General North and Col. Walker had been able to wangle an army plane, and suggested we fly over to Tunisia to see the cemetery at Carthage.

So I took the "Rapide" Friday, and Saturday we flew over the Anzio beaches and the Mediterranean, which is just as blue as it was 36 years ago.

It was an interesting trip (we flew back the same afternoon) although that C-47 needed a little balling wire here and there. The engine was O. K. and we had a capable crew of 4 young American flyers, but the crate showed signs of the hard use these jobs get, as we hit the strip at the Carthage airport, the emergency window fell out completely.

Saw Anzio

The cemetery is well planned, and will be developed under conditions familiar to anyone who lives in a desert country. The following day I saw the Anzio cemetery, which will be one of our largest. Rows of Italian "Stone Pine" trees, will make it a beautiful place. The caretaker had separated the men by cities, so I saw the graves of 14 from the 22nd District. At my suggestion, this will be done in the future in all our cemeteries.

After Anzio, I was driven in a car from Rome to Florence, through familiar looking country. Some of it looked like Kern County, some like parts of my District.

The Communists were having meetings and parades, and making speeches, in every community, little or big, as we came through. Big stars, and the hammer and sickle in red lights. Signs and posters everywhere. In some places, there were few smiling faces. They were the real communies. In most places there were smiles and good-nature, and I had the distinct impression the

Press Festival

It happened to be my birthday, but I rise to remark that I doubted if the communies were celebrating that. I found it was the "Festa della Stampa" and, to my newspaper friends, that is the Festival of the Press.

There was one thing about the trip to Tunisia I can't get out of my mind. We stood on the ruins of Carthage, once the greatest city, and the most powerful nation, in the world. Dido built it, about 900 B. C. It controlled the Mediterranean. It had harbors and aqueducts and buildings which, considering the conditions at the time, were every bit as great as ours. Rome grew up and challenged Carthage, and eventually destroyed the first city, later building a Roman Carthage. It had 2,000,000 people and greater buildings and engineering projects.

Today you find nothing but ruins, cropping out from the hill sides. Perhaps 4,000 people live in the area, and sheep, tended by flea-bitten Arabs, graze where a temple or a forum stood.

There may be a moral there somewhere. You figure it out!

R. DRAGE TAKES

ILL SUDDENLY

Ralph Drage, owner of the meat department at Gregg's super market, is recovering from a serious illness which struck him suddenly following work Wednesday evening. He is able to be up and around, but is under the doctor's care until the extent of his illness is known.

Bill Hall and Mrs. Drage have been taking care of the meat counter.

A LETTER TO THE EDITOR

The Open Forum column of the News is open to any citizen who has anything to say. The only restrictions against contributions will be those of good taste and space limitation. The letters to be published must be signed and ideas and opinions expressed are those of the writer and are not necessarily shared by this newspaper.

Editor's Note

In the interests of presenting both sides of the story on the question of securing MWD water, the following Letter to the Editor is being reprinted from the Buena Park News. Cypress residents are invited to send in their opinions on this important community problem.

Editor

Dear Sir;

I wish to take issue with the large advertisement appearing in the Sept. 22 edition of the Buena Park News which advises us to express our opinion on Metropolitan Water.

The ad starts off all right, "The future welfare of Buena Park and much of Orange county is at stake. We Must Have WATER!" That is a true enough statement, but then it goes on to say, "Metropolitan water is the only solution." That is out and out prevarication (to euphemize). There are many other solutions ranging in practicality from enlarging our present facilities to converting sea-water.

It then goes on to state, "Here are the facts—The water supply in Buena Park is critically short. Wells have shown an average drop in water level of ten feet per year for the past five years. Buena Park is approximately 70 feet above sea level—yet some wells are pumping water from a depth of more than 120 feet! Infiltration of salt water under the fresh water supplies is occurring but no one knows the depth of the layer of fresh water in the underground supply. The time may be later than you think!" This is out and out scare propaganda of the worst order. First, the water supply is not critically short. On the same page appears an open letter to Orange County Water Works, District No. 2 from the Board of Directors, from which I quote "... Buena Park and its immediate environs has adequate water supplies at present, ..."

Secondly, I don't know what wells they included to get an average drop in water level of the equivalent of 50 feet since 1939, but I couldn't find one that has dropped over 20 feet in the last ten years which incidentally, have been the driest ten years in the history of the area. Third, there seems to be some concern over the fact that our wells are pumping below sea level. May I point out that at Death Valley, which is in itself 276 feet below sea level, the wells bring up fresh water. Included in the ad is a diagram to show the salt water invading the coastal area which may be of interest to some of the country but since Buena Park draws its water from San Gabriel Basin and not from the Santa Ana River Basin I fail to see why it is of concern to us. There is absolutely no way to prove the statement that infiltration of salt water is occurring. Salt appears in nearly all water and it is a good thing it does since the human body can not survive without salt.

Next, the ad states that, "At the present time Colorado River Water is the only sure supply available." What is so sure about Colorado River Water. In time of war a well placed bomb anywhere along its costly miles of pipeline would completely shut off its supply. Also if Arizona and Mexico ever waken

WHEN YOU COOK ELECTRICALLY!

Here's something that adds up to a happier housewife—piping hot meals and a pleasant cool kitchen. How's it done? Not with mirrors, Ma'am—it's just one of the advantages of having a modern electric range.

Yes, a modern electric range does more than just look better and cook better. It's your best bet for beating stuffy kitchen heat. When you cook electrically, the thermometer stays down even when the heat is turned up!

Electric ranges—the finest
ever made—are lower in price,
cheaper to operate. See your dealer.

Dr. Geddes will be here Tuesday, October 4, to examine Cypress school boys and girls. Notes will be sent home for this examination.

Mr. and Mrs. A. E. Arnold, Mr. and Mrs. D. Mackay, Mr. and Mrs. F. Noe and Elizabeth Dickerson attended the annual trustees meeting at the Garden Grove high school Tuesday evening, September 27. The Honorable Dilworth, senator, was the speaker.

ART SUPERVISOR HERE

Mrs. Evadna Krause Perry, supervisor of art in the Orange county schools, conducted a series of classroom art demonstrations Tuesday, September 27.

Every teacher was released from her class to attend at least one of the demonstrations, which proved to be very instructive and helpful.

Mrs. Jones' morning third grade studied water colors; Mr. Rowe's fifth grade cut paper, and Mr. Winsor's eighth grade crayon drawings in an all-over design.

Harvest Time

Physical examinations for all freshmen boys, new students and athletes have been completed at Anaheim union high school by health authorities. Girl students have had height and weight checks and hearing tests, made through the girls' physical education department.

Mr. and Mrs. John Thomas, owners of the Triangle Drive-In, plan to attend the Pacific Coast regional restaurant convention and exposition at the Biltmore hotel in Los Angeles on Tuesday, October 4. Hundreds of thousands of dollars worth of the latest equipment and supplies will be exhibited.

The K. B. Kemp family, former residents here, returned last week from a year's residence in Arizona. They will live in Buena Park.

Mr. and Mrs. Glenn A. Hubbard, 8121 Miller road, returned last Thursday from several days spent in and around Bakersfield, hunting and fishing.

Ruby Stewart, former car-hop at the Triangle drive-in, is back in Cypress after a few week's visit with relatives in Cardwell, Missouri.

The H. J. G. (Happy) Kreisslers are well on their way toward completing a new residence on their property at 8212 South Gay street. Les Hendershot is helping Kreissler with the work. It will be a one-bedroom home.

Delores Cardin has been absent from her duties behind the fountain at Henry's drug store, due to illness.

Joseph H. Evans and Paul Mozini were vacationing this past week-end in Anaheim and Cypress from near Death Valley. They were guests in the Burt Kroesen home while here.

Anybody want to pitch hay with June Allyson? The glamorous MGM film star has shed her fashionable costumes for the moment and donned a comfortable outfit of cotton denim pants and a checked shirt to help in the harvest.

LUTHERAN HOUR

PUBLIC INVITED TO DENTAL CLASSES

by Roxie Leffler

P.T.A. member of Cypress are inviting the citizens of the community to the dental meetings held each Thursday night.

The meetings have been well attended. However, many have been from the Savanna and Centralia school districts.

Dr. Temple is going to tell you what to eat to keep your teeth healthy.

There are two more meetings scheduled.

On Friday, September 23, the Cypress school board let the bus garage contract to J. C. Fisher of Bellflower. Construction will start right away.

TEACHERS MEET

A short meeting was held on Monday afternoon at three o'clock of the local teachers who call their organization "ACT"—association of Cypress teachers.

A committee was appointed by President Lois Lissner to draw up a constitution and by-laws.

Wesley Visel was appointed chairman.

The group will hold its sessions during the monthly shows for the students, which will be held again this year.

Teen - Canteen

Elects Slabaugh

by Donald Appleby, 6-A

Gladys (Lollie) Slabaugh was elected president of the Cypress school canteen last Friday in the school utility room.

It has been decided that the canteen will be held on Saturdays from 7:30 to 11 p.m. The Hi and Lo Teens will meet together this year as there are too few parents to act as chaperones at the parties.

The rest of the elective officers were: Ronnie Garrison, vice-president; Gloria McKinzie, secretary; Delores Coelho, treasurer; Nolan Blackman, public relations; Junior Dean, sergeant at arms for the boys and Beverly Cook, sergeant at arms for the girls. We all hope that the canteen will have a successful year.

Mr. and Mrs. Leroy Crewitt, formerly of Anaheim, are new residents at 4861 Lincoln avenue.

Mr. and Mrs. Ed Gardner, of Lake Elsinore, visited Saturday with the Winfields at their trailer park.

Mr. and Mrs. D. Richards, 4861 Lincoln avenue, spent Saturday at the fair in Pomona.

Mr. and Mrs. Harry Mainard are making good progress on the new home they started building six weeks ago at 21410 Norwalk boulevard, in Hawaiian Gardens. They will remain at the Winfield trailer park until the house is ready for occupancy.

Mr. and Mrs. Wayne Rollins moved to one of Mrs. Maybelle Dyer's apartments last week from 4861 Lincoln avenue.

The attractive new canvas awning with metal frame across the front of the office at the Winfield trailer park is causing much favorable comment these days.

Physical examinations for all freshmen boys, new students and athletes have been completed at Anaheim union high school by health authorities. Girl students have had height and weight checks and hearing tests, made through the girls' physical education department.

Mr. and Mrs. John Thomas, owners of the Triangle Drive-In, plan to attend the Pacific Coast regional restaurant convention and exposition at the Biltmore hotel in Los Angeles on Tuesday, October 4. Hundreds of thousands of dollars worth of the latest equipment and supplies will be exhibited.

Delores Cardin has been absent from her duties behind the fountain at Henry's drug store, due to illness.

Joseph H. Evans and Paul Mozini were vacationing this past week-end in Anaheim and Cypress from near Death Valley. They were guests in the Burt Kroesen home while here.

Anybody want to pitch hay with June Allyson? The glamorous MGM film star has shed her fashionable costumes for the moment and donned a comfortable outfit of cotton denim pants and a checked shirt to help in the harvest.

CYPRESS LOCALS

Anaheim union high school offers a class each Wednesday in the McGown method of making hooked rugs. Hours are one to four p.m. and seven to ten p.m. More information may be received by calling the school's business office.

Centralia school boasts a kindergarten class for the first time this year, due largely to effort such as that extended by Mrs. Gilbert King. The mother of four small youngsters, she campaigned from door to door last summer to interest others in the new class.

Mr. and Mrs. Leo Smith are enjoying an extended motor trip. They plan to visit many cities and states in the midwest and south.

Members of the Women's Community club of Cypress have spent many spare moments at Mrs. Emily Fernandez' home quilting on the silk quilt which will be a feature of the needlework booth during White Gold Day.

Improved equipment at Leona's includes a restaurant type range to replace the kitchen stove formerly used.

Mr. and Mrs. Leroy Crewitt, formerly of Anaheim, are new residents at 4861 Lincoln avenue.

Mr. and Mrs. Ed Gardner, of Lake Elsinore, visited Saturday with the Winfields at their trailer park.

Mr. and Mrs. D. Richards, 4861 Lincoln avenue, spent Saturday at the fair in Pomona.

Mr. and Mrs. Harry Mainard are making good progress on the new home they started building six weeks ago at 21410 Norwalk boulevard, in Hawaiian Gardens. They will remain at the Winfield trailer park until the house is ready for occupancy.

Mr. and Mrs. Wayne Rollins moved to one of Mrs. Maybelle Dyer's apartments last week from 4861 Lincoln avenue.

The attractive new canvas awning with metal frame across the front of the office at the Winfield trailer park is causing much favorable comment these days.

Mr. and Mrs. Glenn A. Hubbard, 8121 Miller road, returned last Thursday from several days spent in and around Bakersfield, hunting and fishing.

Ruby Stewart, former car-hop at the Triangle drive-in, is back in Cypress after a few week's visit with relatives in Cardwell, Missouri.

The H. J. G. (Happy) Kreisslers are well on their way toward completing a new residence on their property at 8212 South Gay street. Les Hendershot is helping Kreissler with the work. It will be a one-bedroom home.

Delores Cardin has been absent from her duties behind the fountain at Henry's drug store, due to illness.

Joseph H. Evans and Paul Mozini were vacationing this past week-end in Anaheim and Cypress from near Death Valley. They were guests in the Burt Kroesen home while here.

Anybody want to pitch hay with June Allyson? The glamorous MGM film star has shed her fashionable costumes for the moment and donned a comfortable outfit of cotton denim pants and a checked shirt to help in the harvest.

Earl Essex returned from his annual vacation last Friday afternoon, having experienced a series of "extremes" in weather. While visiting in Livingstone, Montana, a snowfall of six inches occurred September tenth. On the way home, across the desert, the trip was uncomfortable due to the heat, with the mercury soaring to 117 at Barstow.

Mr. and Mrs. W. B. Cleek returned home Sunday. She attended the funeral of her mother, Mrs. T. T. Link, in Slaughter, Kentucky. The motor trip back included visits to points in the east as far away as Niagara Falls.

Mrs. W. P. Tension, of Mount Vernon, Indiana, is visiting in the W. B. Cleek home. She arrived on Monday.

Club Lists Round-Up of New Motor Laws in Effect Saturday

More than 175 changes in the California Vehicle Code become effective next Saturday, October 1, the Automobile Club of Southern California today reported in releasing a partial round-up of the new State laws.

One important change will prohibit the issuance of operator's licenses to persons 14 to 16 years of age, except to those who are bona fide residents of ranches or farms living in rural areas, in cities of less than 15,000 population, or in areas where transportation facilities are deemed inadequate.

Another will require all vehicles which are approaching school buses from either direction to make a complete stop when children are being received or discharged and then to proceed by the buses at a rate of speed not exceeding 10 miles an hour, the Club said.

Slow Trucks

Henceforth, the minimum speed for vehicles overtaking another vehicle upon a grade will be 12 miles an hour, it was pointed out. This is designed to prevent slow trucks and trailers from tying up traffic on mountain grades.

Moreover, local authorities may by ordinance or resolution prohibit vehicles from standing unattended upon a grade (exceeding three per cent) within a business or residential district without blocking the wheels against the curb and taking other safety measures, the Club stated.

Under the new laws, it will be illegal for motorists or pedestrians to willfully or negligently throw lighted substances from or upon roads or highways outside of business or residential districts; to drive over, upon or across any barriers dividing two roadways, excepting through openings designed for same; to ski or toboggan on or across a highway when movement of vehicles thereon is interfered with.

Willful Damage

It was also emphasized that any person who willfully or negligently damages any street or highway shall henceforth be held liable for such responsibilities as removal of debris resulting from accidents, providing detours and warning traffic.

In pointing out that many of the new laws have been designed to provide more stringent enforcement measures, the club said penalties for such violations such as engagement in speed contests on highways and failure to perform required duties after striking unattended vehicles have been greatly increased.

JIMMY ROOSEVELT TO SPEAK IN ANAHEIM

Jimmy Roosevelt, California Democratic State Committeeman, will speak at the Anaheim Elks Club next Wednesday, October 5, at 7:00 p.m., it was announced by Mrs. Sydney Pellew of Anaheim. The Orange County Democratic Central committee is sponsoring the special meeting. Tickets can be obtained by calling Mrs. Pellew at Anaheim 4666.

RECENT BRIDE HAS SHOWER

Mrs. Jim Wright (nee Mona Chapman) was honored by a post-nuptial shower on Friday afternoon by Mrs. H. O. Addington at her home at 9142 E. Laurel street, Bellflower.

After a session of bingo, the recent bride received many gifts for her home. The hostess served a variety of dainty wafers and whipped jello to the sixteen ladies who were present.

Mr. and Mrs. Wright are living in one of the apartments at 7682 Ninth street, formerly occupied by Mr. and Mrs. Jesse James.

KEEP DOGS OFF SCHOOL GROUNDS OWNERS WARNED

by Lyle Lee, 6A

There have been many dogs on the school grounds lately. There is a state law that there are to be no dogs on the school grounds.

Miss Dickerson announced that if there were any more dogs at school, she would have to call the dog pound and have them taken away.

All people who have dogs should keep them in a fenced yard or on a long leash, so the dogs will not follow the children to school. If this should happen, the dog catcher will pick him up.

RESOLUTION OF THE BOARD OF SUPERVISORS OF ORANGE COUNTY, CALIFORNIA, DECLARING ITS INTENTION TO ESTABLISH A PARK, RECREATION AND PARKWAY DISTRICT TO BE KNOWN AS "CYPRUS PARK RECREATION AND PARKWAY DISTRICT IN THE COUNTY OF ORANGE, STATE OF CALIFORNIA," DEFINING THE BOUNDARIES OF SAID DISTRICT AND CALLING FOR VOTING NOTICE OF ANY ELECTION TO BE HELD OCTOBER 18th, 1949 IN SAID DISTRICT FOR THE PURPOSE OF VOTING UPON THE RATIFICATION OF SAID BOARD OF SUPERVISORS DECLARING ITS INTENTION TO FORM SAID DISTRICT.

SEPTEMBER 13, 1949
On motion of Supervisor McFadden, duly seconded and carried, the following Resolution was adopted:

WHEREAS, the hearing for the proposed formation of Cypress Park, Recreation and Parkway District in the County of Orange, State of California, pursuant to the provisions of Sections 5400 to 5428, inclusive, of the Public Resources Code of the State of California, was duly held on the 13th day of September, 1949 at 11:00 o'clock a.m. on said day and certain objections to the inclusion of certain territory was duly filed with the Board of Supervisors in the manner provided by law, and

WHEREAS, the Board of Supervisors duly proceeded to hear said objections and after the hearing thereof the said Board of Supervisors duly found and determined that certain property included within the proposed boundaries of said District would not be benefited by the inclusion in said District, and said Board further determined that such boundaries of said proposed District be modified by the exclusion of certain territories therefrom. The boundaries of said District as so modified are as hereinafter set forth.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED as follows:

Sec. 1. That the Board of Supervisors of Orange County, California, has declared and does hereby declare its intention to establish said District.

Sec. 2. That the exterior boundaries of said Cypress Park, Recreation and Parkway District of the County of Orange, State of California, be established and

reaction and Parkway District of the County of Orange, State of California, be finally determined and established, and said District shall comprise all of that territory lying within the following described exterior boundaries:

Beginning at the one-quarter section corner on the West line of Section 4, T.4 S., R.11 W., S.B.B.&M., said point of beginning being the intersection of the center lines of those certain highways commonly known as Moody Street and Houston Avenue, said point of beginning being also an angle point in the Westerly boundary line of Orange County, California, and running thence from said point of beginning, Easterly, along one-quarter section line, running East and West through the center of said Section 4, one (1) mile, more or less, to the East line of said Section 4, said East line being the center line of Miller Street; thence, Southerly, along Section lines, to the one-quarter corner on the West line of Section 10, said Township and Range; thence, Easterly, along one-quarter section line, to the one-quarter section corner on the East line of said Section 10, said East line being the center line of Hansen Street; thence, Southerly, along Section lines, to the one-quarter corner on the East line of Section 15, said Township and Range; thence, Westerly, along one-quarter section line, to the Northeast corner of the West one-half (1/2) of the Southwest one-quarter (SW 1/4) of said Section 15; thence, Southerly, in a direct line, to the Southeast corner of said West one-half (1/2) of the Southwest one-quarter (SW 1/4) of said Section 15; thence, Easterly, along one-quarter section line, to the one-quarter section corner on the North line of Fractional Section 22, said Township and Range, in Rancho Los Coyotes; thence, Southerly, along one-quarter section line, in said Fractional Section 22, to the Northeast corner of Rancho Los Alamitos; thence, Northwesterly, along said Rancho line running North and South in Fractional Section 22, in said Rancho Los Alamitos; thence Southerly, along one-quarter section lines, to the center of Section 27, said Township 4 South, Range 11 West, said center of Section 27 being an angle point in the exterior boundary line of Cypress School District, as now established; thence, Westerly, and Northerly, following along the Southerly and Westerly boundary line of said Cypress School District, to the Westerly boundary line of Orange County; thence, Northerly, following along said Westerly boundary line of Orange County, to the one-quarter section corner on the West line of Section 4, said Township 4 S., Range 11 W., and the point of beginning.

Sec. 3. That an election is hereby called to be held on October 18th, within the boundaries of said District for the purpose of submitting to the qualified voters thereof, the proposition of the formation of said Cypress Park, Recreation and Parkway District of the County of Orange, State of California.

Sec. 4. That for the purpose of holding said election, there is hereby established an election precinct in said District, said precinct to comprise all of the territory proposed to be formed into said District; That the polling place at which said election shall be held shall be Cypress School, Lincoln Avenue.

That the officers of said election shall consist of one Inspector, One Judge, and one Clerk, and that the persons who shall serve as election officers in said precinct are as follows:

Inspector: Marie M. Jones
Judge: Ruby M. Cawthorn
Clerk: Katherine E. Arnold

The polls at said polling place shall be opened at the hour of 7 o'clock A.M. on the day of said election, and must be kept open until the hour of 7 o'clock P.M. of said day, when the polls shall be closed; provided, that any electors within said polling place, standing in line thereat, and who have not had the opportunity to vote and desire to vote, shall be permitted to vote after the hour of 7 o'clock P.M. of the day of election.

Sec. 5. The ballot to be used at said election shall be substantially as follows:

"Shall the Resolution of the Board of Supervisors of the County of Orange of September 13, 1949, declaring that said Cypress Park, Recreation and Parkway District of the County of Orange, State of California, be established, be ratified?"

YES []
NO []

In all particulars not recited in this Resolution, and not otherwise provided for in the aforementioned Code, said election shall be held in accordance with the General Election Laws of the State of California so far as said laws are applicable.

Sec. 6. The Clerk of the Board of Supervisors is hereby directed to enter this Resolution in the minutes of said Board and to publish this Resolution once a week for two (2) successive weeks in the Buena Park News, a newspaper of general circulation, circulated within said proposed District, which newspaper is deemed most likely to give notice to electors of said District, and for the purpose of said publication this Resolution shall be signed by the Chairman of the Board of Supervisors of Orange County and attested by the Clerk of said Board.

The passage and publication of this Resolution shall be and constitute the notice of election and

NOTICE OF PUBLIC HEARING ON APPLICATION NO. 997, OF C. L. LONG, REQUESTING AUTHORIZATION OF THE ISSUANCE OF A CONDITIONAL PERMIT IN LOS ALAMITOS, FOR A VARIANCE IN THE FRONT YARD REGULATION OF THE M-3 DISTRICT, AS ESTABLISHED BY ORDINANCE NO. 351, OF ORANGE COUNTY, CALIFORNIA, AS AMENDED.

Notice is hereby given that pursuant to Section 19, Ordinance No. 351, Orange County, California, as amended, a public hearing will be held by the Orange County Planning Commission on Application No. 997, of C. L. Long, requesting authorization of a Conditional Permit for a variance in the front yard regulation of the M-3, Unclassified District, from 70 feet from the center line of Los Alamitos Blvd., a State highway, to a minimum of 46 feet therefrom, to permit the erection of a business building on Lots 16 and 17, Block 32, Town of Los Alamitos. Said premises are located on the west side of Los Alamitos Blvd. about 140 feet north of Katella Ave., Los Alamitos.

Said public hearing on the above application will be held at 9:00 A.M., October 3, 1949, in the hearing and meeting room of the Orange County Planning Commission, Room 315, Court House Annex, Santa Ana, California, at which time and place all persons interested therein will be heard.
